DEPARTMENT OF HISTORY

PALM LEAF MANUSCRIPT MAKING

Date : 07.01.2020

Students were given the task of preparing Palm leaf manuscript. They involved themselves with enthusiasm to prepare the palm leaf suitable for writing. They learnt how to make a palm leaf manuscript. By using the palm leaf, cut down the half scale size and soaking in the turmeric water for two to three days and dry them in sun light for one week. After this process the palm leaf is ready for the writings. They wrote many topics of history in palm leaf and it was a very good challenging intellectual exercise to them. These things are exhibited in Heritage corner of our college on 7th January 2020.
