Affiliated to Bharathidasan University, Trichy
Vilar Bypass - Thanjavur

ABOUT THE COLLEGE

Bon Secours College for Women is accredited with 'A' grade (CGPA; 3.34) by National Assessment and Accreditation Council (NAAC), an autonomous body of the UGC. The College is affiliated to Bharathidasan University and is recognized by UGC under section 2 (f) and 121 (B) of UGC Act 1956. The College was established in 2003 by the Franciscan sister of our Lady of Bon Secours, a Religious Congregation committed to uplift the down trodden and empower the women. The congregation has a wide-ranging experience of 150 years in the education sector and manages more than 100 educational institutions all over India. The location of the college in a sylvan surrounding provides a perfect environment for teaching and learning. The campus is calm, peaceful and serene. The plastic free ecofriendly and a clean surrounding sets a proper background for nourishing healthy habits and nurturing skills and talents True to its Vision and Mission, the college focuses on progressive steps to empower the women learners. Being an exclusively women's college is an added advantage to the students to learn from one another and grow together. Since its inception the College has been progressing steadily in all spheres. It offers value-based quality education which draws a large number of students to its fold every year. The College that was started with a humble strength of 50 students now has an amazing strength of more than 4500 students. The college offers UG-15, PG-10 M.Phil-5 and Ph.D-3 Programme.

ABOUT THE DEPARTMENT

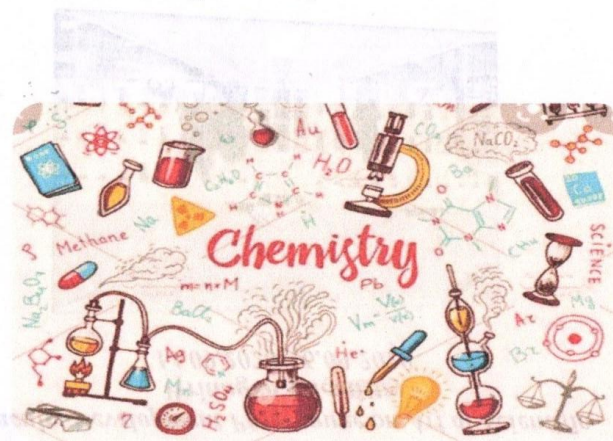

The Department of Chemistry was established in 2004 which offers B.Sc. and from 2017 it offers M.Sc Programme. The department has earned name and fame since it has been producing knowledge enriched, professionally competent students with university ranks. The department consists of laboratory with modern sophisticated equipments that fulfill the requirement of syllabi as per the guidelines laid down by the university to carry out the research. In addition, the department is actively conducting seminars, workshops and special lectures every year.

ABOUT THE FDP

Faculty Development Programme on Art of effective Writing in Chemistry were dedicated to training on Outcome Based Education. It includes the Writing innovation, classroom management, student monitoring, Micro learning and Work life balance. All sessions were informative and interactive, with a lot of activities where the audience participated and shared their experiences. The session was followed by hands on experience where the participants designed the art of writing skills and their outcomes. The participants shared the slideshow of their writing skills and shared with each other. She shared her tips for creating a learning environment in the classroom. This session was conducted with an activity and the participants used various techniques to make their art of writing in a good manner.

OBJECTIVE;

- To learn the tools and techniques
- To Creative Writing
- To make a Art making in Chemistry

FACULTY DEVELOPMENT PROGRAMME ON ART OF SCIENTIFIC WRITING IN CHEMISTRY

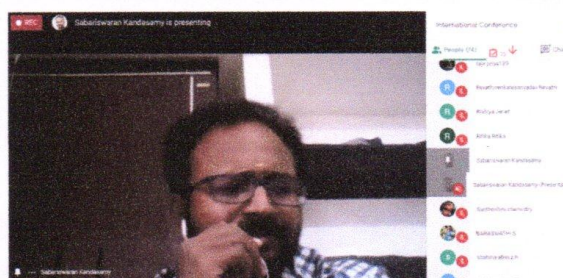

Department of Chemistry organized an online Faculty Development Programme on Art Scientific Writing in Chemistry on 14.09.2020. The programme started with prayer song followed by welcome address by Ms. G. Gnanashree, Head and Assistant Professor of Chemistry.

Session I:

Dr. Ramesh L. Gardas, Ph.D., Professor of Chemistry, Indian Institute of Madras, Chennai delivered a talk on Writing up Research Proposals and Research Papers in Chemistry.

Session II:

Dr. K. Sabariswaran, Postdoctoral Research Scientist, Jiangu University, Republic of China delivered a lecture on Types of Research and Literature Survey.

Session III:

Dr. M. Ramalingam, Ph. D., Professor of Chemistry, Bon Secours College for Women, Thanjavur delivered a lecture on Application of Modern Tools and Techniques in Research Methodology.

Session IV:

Dr. R. Chithiravel, Assistant Professor of Chemistry, Rajah Serfoji Government Arts College, Thanjavur delivered a lecture on Data Collection and Sampling.

It was an effective and interactive session where the resource persons were answering all the queries raised by the faculty members. All the faculties who attended the training program was completely benefitted and understood the concept of art of scientific writing practices. The Programme ended with vote of thanks by Ms. R. Rajalakshmi, Assistant Professor of Chemistry, Bon Secours College for Women, followed by college anthem.
