FROM THE EDITOR'S DESK

With great pleasure and honour , I write this foreword for the Commerce Echoes . Indeed this newsletter is a testament to the departments commitment in imparting quality education in academia. This encompasses a right balance between research and development, teaching and learning and very much in line with the vision and mission of the Commerce Department. This newsletter highlights many latest wonderful achievements that have brought laurels to the department both by Students and Staff.

I am happy to mention that our department has received a grant of Rs.1,00,000 from ICSSR for organizing an International Conference this academic year.

E-Commerce & Com Tour Expo 2016 was an excellent event where students got an opportunity to show their work under Electronic Commerce and Tourism.

I congratulate the team who has taken the initiative for producing this newsletter.

I wish the newsletter soars to great height in the days to come.
