Meeting -URL:https://applauncher.gotowebinar.com/#webinarOver/707447078795292176/en_US

The purpose of the webinar was to bring together a variety of learning new trends about the opportunities for supporting and expanding through active in the young minds.

Ms. T.K. Anusuya HoD/CS delivered an introductory speech Ms. B. Asha Asst.Prof /CS welcomed the speaker as well as resource person and all the participants. She explained the purpose behind the webinar. The enormous number of 129 participants (Students & Faculty) registered the webinar and 84 participations attended the webinar sessions. The entire programme was coordinated with the support of the Principal, IQAC and faculty of the Department of CS.

Dr. D. Dinesh Babu Director Brainswig Edutech Ltd, Chennai was the resource person. The technical session was started and made the session alive. He provided valuable information regarding data analytics using Tableau. He gave an important breief review of current issues of this era. The session was very interactive and many of our participants were actively interacted with the resource person. He insisted the participants to summarize his lecture for last 15 minutes. It was ever memorable for many of our participants. This session came to an end at 12.30 PM.

We acknowledged for their active participation in this webinar. The participants were given certificates

for attending the webinar. Students are expressed their gratitude to our dept faculty for arranging the webinar session. Dept of CS looking forward to organize future workshops, seminars/conferences to create awareness of the research oriented sessions.

After this wonderful session Ms. K. Gayathri thanked the respected speaker and entire team of this webinar.
