PG DEPARTMENT OF COMPUTER SCIENCE Online Webinar on Python using PANDAS- Report (12-05-2020)

We started with the blessing of almighty. A One day online Webinar on Python using Pandas has been conducted on 12-05-2020 through Webinar. **Registration Link:** <https://zQjf1YZx26y4hKQ29> and Meeting URL: <https://meet.google.com/yej-iqgtg-boz>

The purpose of the webinar was to bring together a virtual learning of new trends about the opportunities for supporting and expanding through active in the young minds.

Ms. T.K. Anusuya HoD/CS delivered an introductory speech Ms. A. Thamizhiniyal Asst.Prof /CS welcomed the gatherings. Ms. N. Vijayalakshmi Asst.Prof/CS explained the purpose behind the Python. It is a Gateway into the world of programming. The total number of 66 participants (Students & Faculty) registered the webinar and 60 participations attended the webinar sessions. The entire programme was coordinated with the support of the Principal, IQAC and faculty of the Department of CS.

Mr. J. Sethuraman Director Innova Soft Thanjavur was the resource person. The technical session was started and made the session alive. He explain simple and flexible language to learn and it is seeing a large scale analytics and computing is equipped with a vast library for data manipulation and analysis using Pandas He gave an important brief review of current issues of this era. The session was very interactive and participants were actively interacted with the resource person. He insisted the participants to summarize his lecture for last 15 minutes. It was ever memorable for many of our participants. This session came to an end at 12.30 PM.

We acknowledged for their active participation in this webinar. We issued the participant certificates for attending the webinar. Our Students are expressed their gratitude to our dept faculty for arranging the webinar session. Dept of CS looking forward to organize future workshops, seminars/conferences to create awareness of the research oriented sessions. **Feedback Link :** <https://forms.gle/EVQ8B2HE4bPxr4Mz8>

After this wonderful session Ms. K.Thamizhselvi thanked the respected speaker and entire team of this webinar.
