INVITATION

It gives us immense pleasure for cordially inviting you for the Third National Conference on "Emerging Trends and New Vistas in Applied Sciences (NCETINAS 2025) and Society for Nature and Applied Sciences (SNAS) Awards and Honors 2025 to be held on 06th December, 2025 at Bon Secours College for Women (A) Thanjavur, Tamil Nadu. The conference invites Scientists, Faculty Members, Teachers, Medical Professionals, Engineers, Research Scholars, Students and others who involved in Education and Research areas related to Applied Sciences. The organizing committee of SNAS and Bon Secours College for Women (A), Thanjavur, Tamil Nadu takes the pleasure in inviting you to this conference.

ABOUT SNAS

Society for Nature and Applied Sciences (SNAS) is a non-Government professional body registered under the Tamil Nadu Societies Registration Act 27 of 1975 with Registration No. SRG/TRV/112/2021. SNAS is a non-profit scientific and professional organization gathering experts interested in basic, natural, applied and other related sciences within the frame of research, education and applications. Society for Nature and Applied Sciences is a society fully devoted and dedicated to the advancement of nature and applied sciences. SNAS facilitate global co-operation in research, education and knowledge exchange. The motive of the society is to incorporate all national and cross-national academic institutions, research institutions, companies and individuals sharing interest in development of nature and applied sciences.

ABOUT THANJAVUR

Thanjavur is a historic city in Tamil Nadu known for its rich cultural heritage, including magnificent temples, classical music, and art, especially its famous 9th-12th century Chola bronze sculptures and distinctive paintings. Located in the Cauvery delta, it is also nicknamed the "Rice Bowl of Tamil Nadu" due to its significant rice cultivation. Key landmarks include the UNESCO World Heritage site, the Brihadiswara Temple, the Saraswathi Mahal Library, and the Thanjavur Palace. Thanjavur is famous for its distinctive art style in painting, which is usually a combination of braced and painted surfaces. These paintings have the figures and the background richly embellished with gold leaves and gems as ornaments. There are various restaurants offering South Indian cuisine and other Indian delicacies that cater to the appetite of visiting tourists from all over the country and also from abroad. Thanjavur is well connected by train via its own Thanjavur Junction railway station (TJ), which is an important hub linking it to major cities like Chennai, Bengaluru, Madurai, and Mysuru, with direct express trains to more distant cities like Varanasi and Bhubaneswar. The nearest airport is Trichy International Airport (TRZ), located about 61.5 km away, which provides air connectivity to cities within India and internationally to places like Dubai, Singapore, and Colombo. Thanjavur has four universities including Tamil University and several colleges.

ABOUT THE BON SECOURS COLLEGE FOR WOMEN

The Franciscan Sisters of Our Lady of Bon Secours established Bon Secours College for Women in 2002 at War Bypass, Thanjavur, with a modest strength of 50 students. Today, the college has grown by leaps and bounds, with a total strength of 2,872 students, dedicated to empowering the rural women community under the inspiring motto: "To Empower, To Change, To Live". A key priority of the Management has always been the welfare of women, with a strong belief that education is the most powerful means to transform the lives of rural and downtrodden women. The College, affiliated to Bharathidasan University, is recognized by the UGC under 2(f) and 12(B) of the UGC Act 1956 and has been accredited with an 'A++ Grade in Cycle II (GPA 3.71) by the National Assessment and Accreditation Council (NAAC), an autonomous body of the UGC. The college has been conferred Autonomous Status by the University Grants Commission, effective from the academic year 2024-2025. The college has been ranked in the 151-200 Band by NIRF and 4 second First Rank in Best Money Value Category for Fashion Technology in the India Today Ranking 2022. Also has been identified as a Potential Mentor for NAAC-aspiring institutions under the UGC Paramarsh Scheme and was recognized under the DBT Star College Programme, Government of India to Strengthen Undergraduate Programs viz., Department of Biotechnology, Botany, Physics and Chemistry in 2024. Further, through active participation in the Institution's Innovation Council (IIC), the college fosters a culture of innovation and entrepreneurship, earning a 4-star rating (out of 5) in 2024. The college received an Appreciation Award under the Nean MudraVini Scheme for its effective implementation and secured the second position at the state level. At present, the college offers 20 Undergraduate, 12 Postgraduate, and 4 Ph.D. Programmes, along with 2 Diploma Programmes and 180 Certificate Courses (including Value-Added and Vocational courses). The college offers a Design Thinking-based, industry-oriented curriculum with the guiding principle "Think Globally, Act Locally". It is designed to build proficiency for higher education, employment, and entrepreneurship, in line with the aspirations of the students. The Bon Secours Foundation for Entrepreneurship Development, recognized as an incubation centre under Startup TN, focuses on the biotechnology and fashion sectors. It actively supports the promotion of rural women entrepreneurship. Most departments consistently produce merit results, and the 200+ number of university rank holders continues to rise year after year. With a professional and personalized educational approach, the college trains the students with a combination of intellectual curiosity and social commitment in order to equip them with the skills they need to succeed academically and professionally.
