

BON SECOURS COLLEGE FOR WOMEN

(Autonomous)

Accredited with A++ Grade by NAAC in Cycle II
Affiliated to Bharathidasan University, Tiruchirappalli
UGC Recognized 2(f) and 12(B) Institution

VILAR BYPASS, THANJAVUR - 613 006, TAMIL NADU

MASTER OF FASHION TECHNOLOGY AND COSTUME DESIGNING

PROGRAMME OUTCOMES (PO):

On Successful completion of the programme, students will be able to;

PO1: Disciplinary Knowledge:

Demonstrate comprehensive knowledge of the discipline that form a part of an postgraduate programme. Execute strong theoretical and practical understanding generated from the specific programme in the area of work

PO2: Critical Thinking and Problem solving:

Exhibit the skill of critical thinking and understand scientific texts and place scientific statements and themes in contexts and also evaluate them in terms of generic conventions. Identify the problem by observing the situation closely, take actions and apply lateral thinking and analytical skills to design the solutions.

PO3: Social competence:

Exhibit thoughts and ideas effectively in writing and orally; communicate with others using appropriate media, build effective interactive and presenting skills to meet global competencies. Elicit views of others, present complex information in a clear and concise and help reach conclusion in group settings

PO4: Research-related skills and Scientific temper:

Infer scientific literature, build sense of enquiry and able to formulate, test, analyse, interpret and establish hypothesis and research questions; and to identify and consult relevant sources to find answers. Plan and write a research paper/project while emphasizing on academics and research ethics, scientific conduct and creating awareness about intellectual property rights and issues of plagiarism.

PO5: Trans-disciplinary knowledge:

Create new conceptual, theoretical and methodological understanding that integrates and transcends beyond discipline-specific approaches to address a common problem.

PO6: Personal and professional competence:

Performing independently and also collaboratively as a part of team to meet defined objectives and carry out work across interdisciplinary fields. Execute interpersonal relationships, self-motivation and adaptability skills and commit to professional ethics. PO7: Realize the importance of lifelong learning and continuous professional development.

PO7: Effective Citizenship and Ethics:

Demonstrate empathetic social concern and equity centred national development, and ability to act with an informed awareness of moral and ethical issues and commit to professional ethics and responsibility.

PO8: Environment and Sustainability:

Understand the impact of the scientific solutions in societal and environmental contexts and demonstrate the knowledge of and need for sustainable development.

PO9: Self-directed and Life-long learning:

Acquire the ability to engage in independent and life-long learning in the broadest context of socio-technological changes

PROGRAMME SPECIFIC OUTCOMES (PSOS)

On Successful completion of the M.Sc. (Fashion Technology and Costume Designing) degree programme, students will be able to

PSO1 Understand the current processes and trends, new developments and technological changes in the field of textiles and apparel.

PSO2 Demonstrate an advanced knowledge of skills in all areas including sketching, draping, printing.

PSO3 Identify and appreciate the historic textiles and costumes of the world and draw inspiration for the present

PSO4 Understand different aspects of fashion marketing and concept of technical textiles.

PSO5 Understand and apply tools and methods of research and statistics for conducting research in the subject area.

PSO6 Articulate design ideas verbally, visually, and digitally.

PROGRAM EDUCATIONAL OBJECTIVES (PEOS)

PEO1. Graduates will demonstrate advanced skills and knowledge in fashion technology, including garment construction, textile science, and apparel design.

PEO2. Graduates will effectively collaborate within multidisciplinary teams, demonstrating leadership and communication skills in the context of fashion and costume design projects.

PEO3. Graduates will exhibit a commitment to lifelong learning, staying abreast of advancements in fashion technology, design trends, and industry practices to support their professional growth and development.

PEO4. Graduates will possess the capability to pursue further education, such as doctoral studies or specialized certifications, to deepen their expertise in fashion technology and costume designing.

PEO5. Graduates will contribute to the enrichment of society and culture through the application of their technical, creative, and managerial skills in the fashion industry, fostering innovation and sustainability
